

COFFIN WOLF

BIO – July 2020

Coffin Wolf are Melbourne's 'Dead Rock' underdogs.

Their latest release and debut LP *Talk Amongst Yourselves*, is the best record that you haven't heard yet. It marks a milestone in their discography as their most diverse and profound record yet. It flirts with topics such as death, drugs, extreme debt, and an unhealthy love of caffeine.

They have built a cult following on the back of their early releases, as well as an intense live atmosphere that has propelled them through national tours and an intense thirty date tour through South East Asia. They've also shared stages with some of the industry's best including **Dead Kennedys**, **Strung Out**, **Church of Misery**, **Body Jar**, and **28 Days**.

Talk Amongst Yourselves is out through **Desert Highways**:

Pre-order: 13 July 2020.

Digital release: 22nd July 2020.

Vinyl release: 21st September 2020.
